

Bows or Bones?

What will you make today?

Materials Needed:

18 swg 1/4" Each unit uses 27 rings

***to make one unit exactly like to tutorial you will need:

- 1 – Black
- 8 - Orange
- 4 – Red
- 2 - Gold
- 4 – Royal Blue
- 4 – Sky Blue
- 4 - Purple

Step 1:

Open Black ring and place the eight (8) orange rings on it. Close the black ring and all of the orange rings

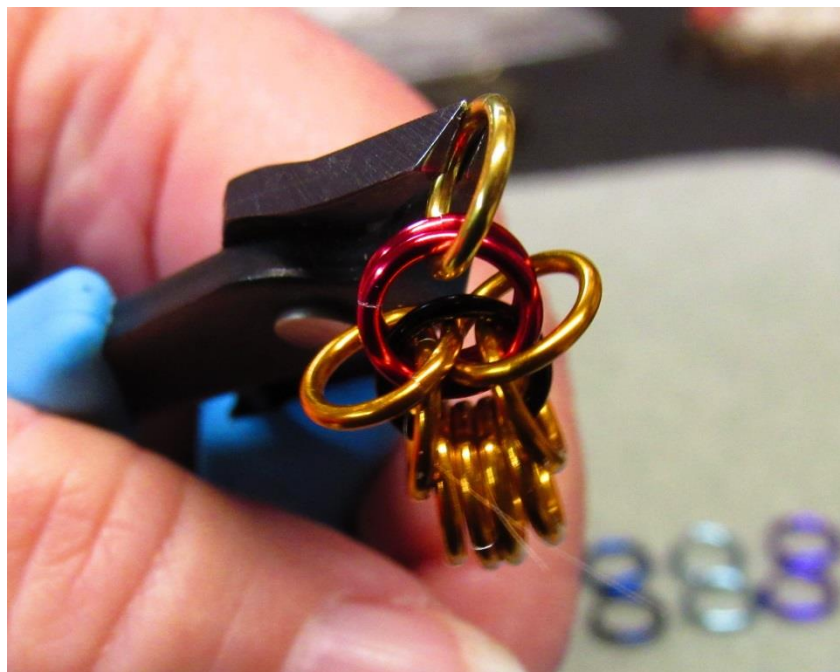

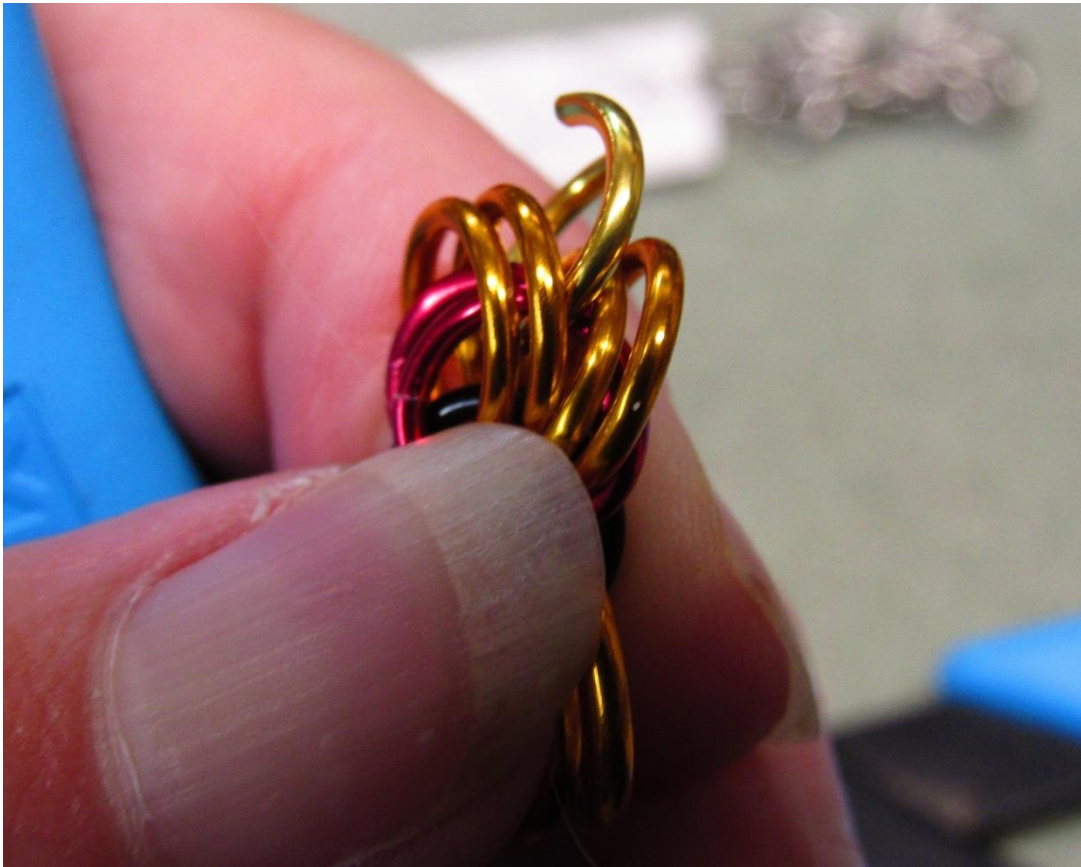

Step 2: Place one (1) red ring through four (4) orange rings.
Repeat with second (2nd) red ring so you have two red rings side by side

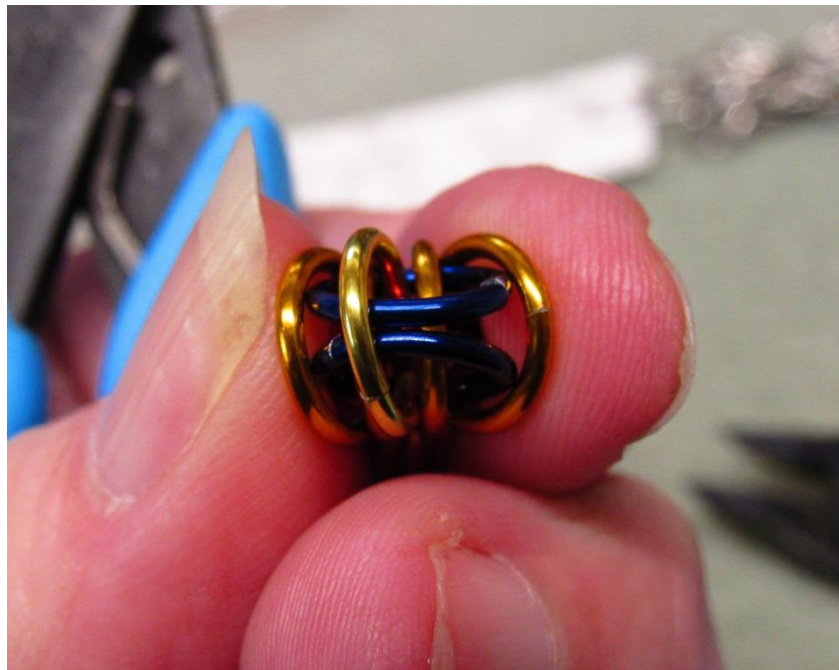

Step 3: Fold red rings back, one on each side of the orange rings
(like you would for Byzantine)

Step 4: Place the Gold ring through the red rings in the center of the orange rings

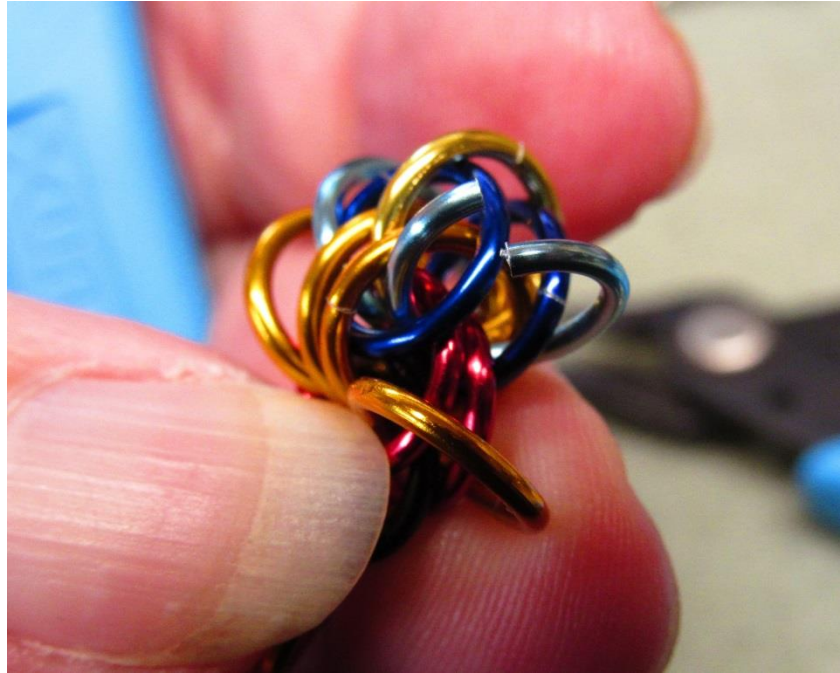

Step 5: Place one Royal Blue ring through two orange and the gold ring as shown
(Knowledge of Full Persian is helpful with this step) Flip unit over and repeat on the other side.

Step 6: Place one (1) sky blue ring through the Royal blue both red and the other Royal blue ring as shown.

Step 7: Repeat with second sky blue ring on other side

Step 8: Place the first purple ring between the royal blue rings and through two orange rings and one sky blue ring

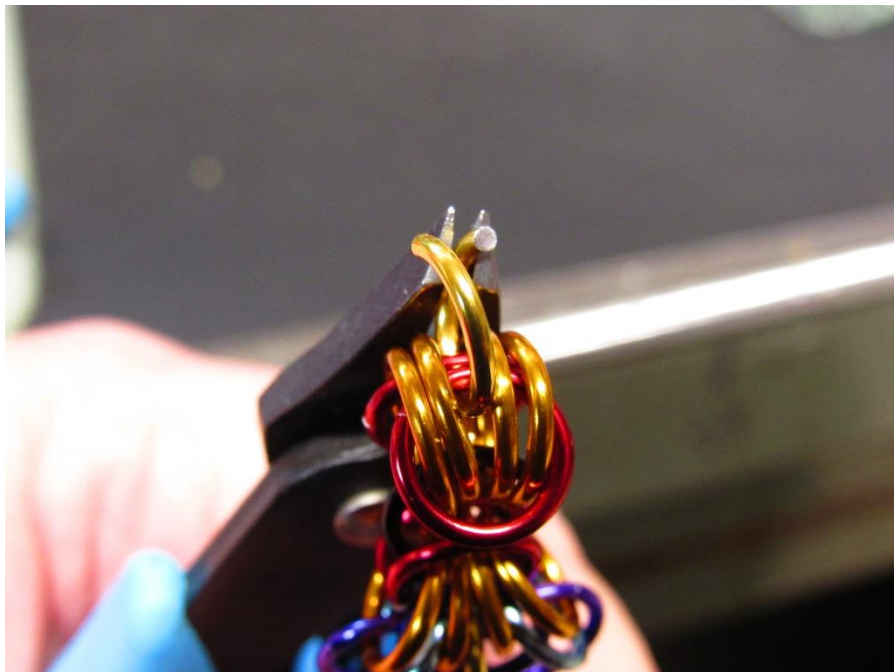

Step 9: Turn unit over and repeat with second purple ring

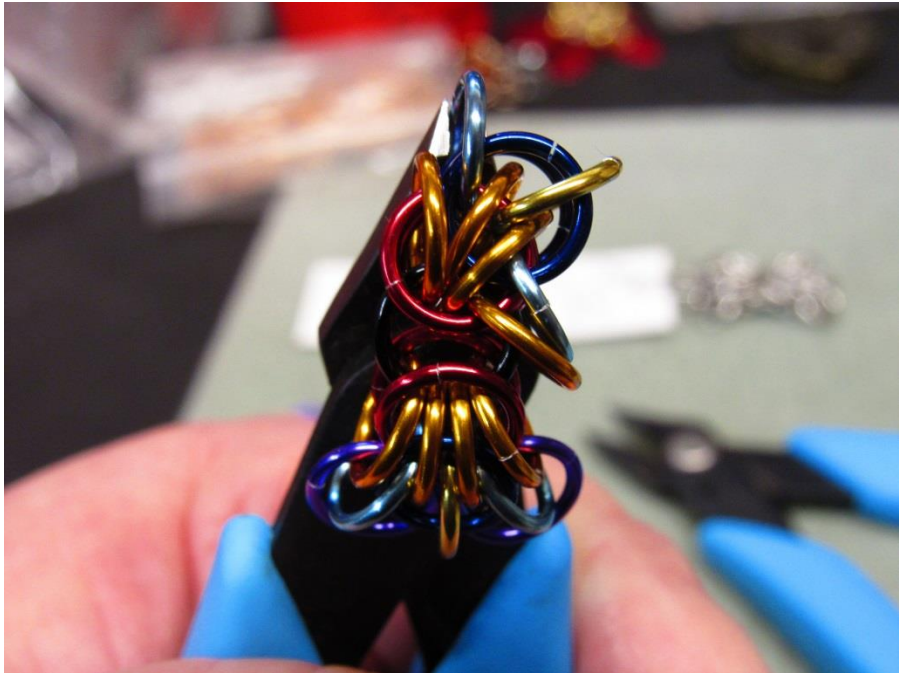

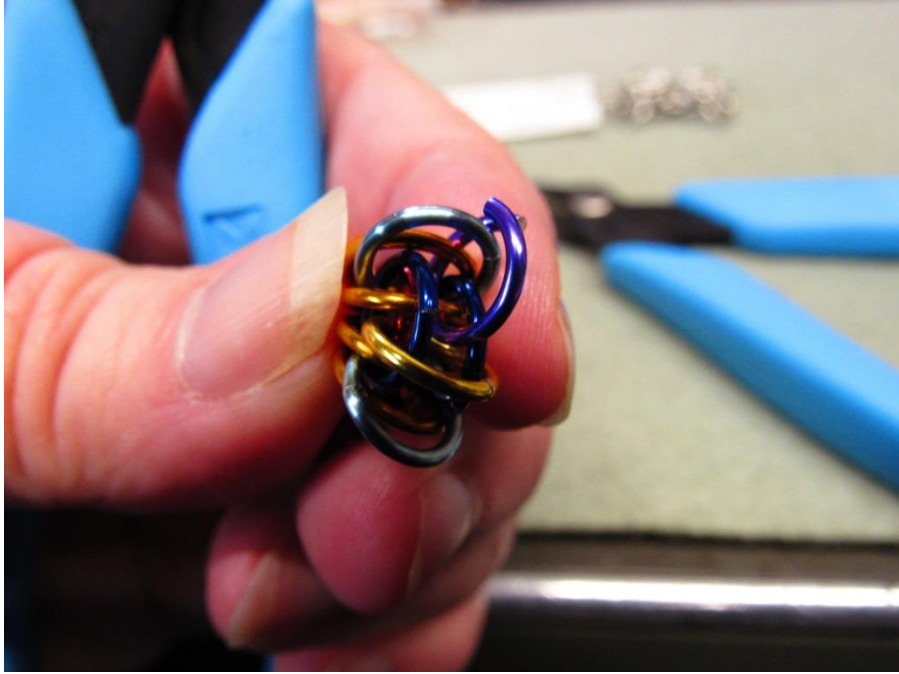

You have finished the first half!!! Give yourself a pat on the back and do the same steps on the other side.

For the pendant shown on cover:

18swg 3/8"

1 – (I used BA)

18swg 1/4"

16 - orange

8 – red

4 – gold

8 – royal blue

8 – sky blue

16 – purple

4 – 18swg 5/32" Black

(Sorry, I did not take pictures of this process. You can refer to the pictures above, very little changes)

1. Open the 18swg 3/8" ring and place the 16 closed orange rings on it and close it.
2. Place two of the red rings around four of the orange rings and fold back
3. Place one gold ring between the two center orange rings and through the two red rings.
4. Place one (1) royal blue ring through the two through two orange and the gold ring
5. Repeat on other side of unit
6. Place one (1) sky blue ring through the Royal blue both red and the other Royal blue ring
7. Repeat on other side
8. Place the first purple ring between the royal blue rings and through two orange rings and one sky blue ring
9. Add second purple ring in same space
10. Repeat on other side of unit
11. Repeat for each unit
12. Use one black 18swg 5/32" ring to connect each unit to the one next to it.
13. Add your choice of bail
14. Enjoy
